21 January 2009

HOW CAN YOU HELP AT THE CORRIMAL CARNIVAL - 1 FEBRUARY 2009

There are a number of lists on the noticeboard indicating jobs or contributions which can be made by our members for the up and coming carnival. Please add your name to any vacant spot as many hands make light work!

On the day we need helpers in the Canteen and on the BBQ, we need help to set up and pack up, timekeepers, runners, there is a job for everyone! Our carnival has a reputation of being lots of fun and well organised, lets make this our best year yet!

DO YOU HAVE A RECIPE YOU LOVE TO MAKE - A SLICE OR MUFFINS?

If you can help out by making your special dish for the day it would be most appreciated. There is a catering list on the noticeboard, please add your name.

SCHOOL SWIMMING CARNIVAL TIME!

It's that time of the year again where our club house and equipment are used by local schools for their School Swimming Carnivals. We will need assistance in setting up and packing away equipment for these carnivals. If you could check the noticeboard and see if your child's school has a booking or if you are available in the morning or afternoon, your help would be greatly appreciated. Please put your name beside a date that you can assist. Thank you

Brace Relay Entries

Please take your names and nominated times to the entry desk for the Brace Relay as entries **CLOSE TONIGHT**. Any queries, please do not hesitate to ask.

Date Change in Programme

Friday Night Pointscore will **not** be held on Friday 20 February as per the pointscore program.

Please note Pointscore will be held on Friday 27 February and Club Championship entries will be open on this evening. No entries for Club Championships will be taken after this date.
