You will need to complete your deliveries before Presentation Day. (27 March)

**Congratulations to Aaron Ferderer for receiving a Bronze Medal at National Open Water last weekend. All swimmers put in an amazing performance and they should all be extremely proud of their efforts, placings and achievements.**

**Well Done!!!**

To anyone who received a Perpetual Trophy at Presentation night last year, could you please bring it to the club room anytime this week.  
Thank you

**POSITION VACANT – PROJECT MANAGER REQUIRED**

**This position is perfect for the handyman, trades person who would like to contribute to the club but is unsure how they can help. Recently Corrimal Swimming Club sought Council Approval for an extension to our shed. This approval has now been given and we would like someone to oversee the project to completion. For more detailed information please see Deb Ferderer. Please note, there would be no out of pocket expense to this person, it will not cost money only their time and energy. Thank you.**
