### REGISTRATION FEES ARE NOW OVERDUE

Thank you to all new families for trialing our Friday Night Point Score. As you are aware we have a 2 week trial period for all new members and we hope you are enjoying your Friday nights with us. You need to commit to your registration by filling in the forms and paying your fees after week three of your trial otherwise your times that are achieved at point score are recorded however you are not earning points towards your end of year point score. There are membership forms in the club house however if you need assistance, please do not hesitate to ask one of the helpful committee members. Michelle Lunney is our registrar - please hand completed membership forms and money to Michelle. These are now overdue.

### STOP THE PRESS!!

**Grab a copy of this weeks Advertiser when it is released on Wednesday. Corrimal Swimming Club will be featured. Thank you Brett and Tim Swan for your fantastic modelling skills!**

There was a visit from 198FM on Friday and Nick Ferderer was fantastic with his responses and even challenged Marty to a 50m Freestyle race. Marty is yet to respond with a date... I'm not sure if Marty will ever be able to take Nick up on his challenge. Well Done Nick!
